**SARASOTA YMCA SHARKS
FALL NEWSLETTER
COACH SHOFE**

Congratulations to all on another successful summer of swimming. The Sarasota YMCA Sharks excelled on all levels. This spring/summer, we also had swimmers excel in International competition.

This season, 2007-2008, is shaping up to be just as exciting as the past season. The year leading up to the Olympic Games is always a great year, with all clubs. What is really exciting about our team, is that the number of boys on our team is steadily increasing. Almost all groups are close to 50/50, girls/boys.

Family Assessments due – November 1, 2007

As in the past, our family assessments will be due November 1st. In this newsletter is all the information you need to either solicit ads or just write a check for the assessment.

Selby Aquatic Center Security

As all of you have noticed, you must show your YMCA card to be admitted into the facility. If you are a parent, and not a YMCA member, you will need to show a driver's license. Only members are allowed into the facility, unless someone pays to enter the water park.

In both of our locker rooms, we figure that we average 200-300 people using the locker rooms, Monday-Friday, and between 400-500 people using the locker rooms on the weekend. This creates a major concern for the YMCA. As posted, the Sarasota Family YMCA, which includes the Sharks, is not responsible for lost or stolen items. Security cameras monitor the Selby Aquatic Center 24 hours a day, but not the locker rooms. If you ever have anything of value, do not leave it in the locker room, ever!

In the past/present, we have told the swimmers to bring anything of value out and place it on the pool deck, leave it in their car, or don't bring anything of value, at all. Also, never leave anything of value, overnight in the locker rooms. We cannot monitor the locker rooms, as we do the facility. I personally have been on a club team, in High School, that was not allowed to use the locker rooms, at the facility where we practiced. If anyone, ever, has any knowledge of anyone taking someone else belongings, or sees someone taking someone else's belongs, tell a coach, at once. All we can really do is police the locker rooms ourselves.

We are hoping to have structures built, to allow swimmers to leave their swim bags hanging on this structure, outside of the locker rooms.

Shark Support Team Meeting – Tuesday, October 9, 2007

The next Shark Support Team Meeting will be Tuesday, October 9, 2007. At that meeting I hope to have a new Shark Support Team leader in place. At this meeting, we will be finalizing the policy on Shark families, volunteer obligations, amongst other items.

Sarasota YMCA Sharks Invitational – November 16-18, 2007

Mark your calendars. This is a great meet and it will be a big meet with Prelims and Finals.

FAMILY ASSESSMENT
2007-2008

I am pleased to announce that our annual family assessment charge will be the same as last year. White team families, \$ 125.00 and Black, Gold, Junior, and Senior families, \$ 250.00. As you know, this is vital to continued successful operation of our swim club. The group your child swims in will determine your family assessment fee. If you have more than one child, the highest-level group your child/children swim in, will determine your fee. This is due November 1st.

The family assessment fee covers, coaches meet expenses, coach's certification, coach's memberships, coach's education, official's certifications, awards celebration, and many other operating expenses throughout the year, (August-July).

You may just write a check for the family assessment or you can solicit sponsorships, for heat sheet ads, from local businesses. Either way, the deadline for the family assessment is November 1, 2007. The ad form is enclosed.

You can mail the assessment fee to Coach Shofe, bring it to the offices, or give it to your coach. If you mail it in, please mail to:

**Sarasota YMCA Sharks
Coach Larry Shofe
8301 Potter Park Drive
Sarasota, Florida 34238**

Please make check payable to: Sarasota YMCA Sharks

Thank you for your assistance in providing a great opportunity for your kids.

Sincerely,

**Larry Shofe
Sarasota YMCA Sharks
Head Swim Coach**

HOW TO PAY FOR ASSESSMENTS THROUGH ADS

All Parents, please note: you may still pay for all or part of your assessment fee through the sale of heat sheet ads. You may also receive a credit against your escrow / entry fee account balance, through the same ad sales.

All advertising sales will be credited, on a dollar-for-dollar basis, toward your assessment obligation. After your assessment is taken care of, all advertising revenue, that you generate, will be credited toward your escrow / entry fee account, on a 50/50 basis: 50 % going toward your account and the other 50% going into the Sharks general operating expense budget.

We will use the standard swimming calendar, September – August, for the ads sold.

This is a great opportunity, for you and your team, to use our community businesses to help defray your swimming expenses. Most businesses are more than happy to help... just ask!!

TIPS FOR ACQUIRING SPONSORS:

1. **JUST ASK!!** It's not that hard!
2. Bring along a copy of a recent heat sheet to show them what they are getting.
3. Tell them how many swimmers and families attend each meet (typically 600-1000) not only from Sarasota, but also from other nearby communities, as well.
4. Explain to them what a wonderful and beneficial activity swimming is for the youth of our community.

5. Go to businesses that you frequent – such as restaurants, your hairstylist, grocery store, attorney, doctor, banks, etc. If you are in business, ask your business contacts, suppliers, etc.
6. Ask for the largest donation, first, and then offer the smaller opportunities. A business can advertise for as little as, \$ 50.00 per year, for a business card.

NOTE: As you come in contact with different businesses, keep in mind that we are also in need of donations for our meets, such as food for hospitality to feed coaches and officials. A business may also become the official sponsor of any of our Invitationals.

A copy of the advertising contract is included. Please make additional copies, as needed.

**** ALL AD COPY MUST BE, ‘CAMERA READY’, and sent to Coach Shofe, with full payment.**

Business cards are camera ready. It may also be easy to, simply, use existing advertising copy that businesses have available.

Junior 1 Group News—

From Coach Brown

It has been a while and a lot has happened since our last newsletter. A quick recap: Hundreds of great swims at JO’s where we fortunate enough to win the team title again. Even more great swims from the swimmers who competed at Sr. Championships where we again reclaimed our team title from last year. Just like the above mentioned meets, hundreds of great swims from the swimmers competing at Area 3/5’s with a lot of brand new JO cuts, including several first time cuts. A special congratulations goes out to Kirt Davis and Ashlee Linn who competed at the Southern Zone Age Group Championships in Houston Texas. These two swimmers along with twelve other shark swimmers helped Florida bring back the team championship for the first time since 1996!! A special shout-out to Ashlee Linn who brought home the high point award in the 13-14 girls age group. Great job to all shark swimmers on your summer performances.

The short course season has already begun, and we are well into our routine of morning practices, drylands, and afternoon practices. Great things are already beginning to happen, it is very obvious from watching up on the pool deck. Swimmers and parents, keep up the hard work, your perseverance and dedication will be rewarded in the future.

Hope to see everyone at our First annual Friday night at the Races swim meet that will take place on Friday September the 7th at 6 p.m. at the Selby pool. We cannot run our meets without help from all of our volunteers. If you have not yet signed up to work please do so today.

Off until next month,

Coach Brown

Congratulations to the Florida Zone Team! 1st Place in Houston, Texas – it's been over ten years since Florida has won this very fast swim meet. We took 48 swimmers from all over Florida and dominated right from the beginning. 14 Shark swimmers qualified from the Sharks

Rocky Raybon, Mckayla Lightbourn, Sara Conner, Drew Crete, John Orban, Patrick Cedia, Matt Kaminski, Mark Cox, Kirt Davis, Tucker Atkins, Ashley Linn, Ashley Reid, Ian Amistoso, Charlotte Wilhelm.

We also put two Coaches on the staff – Mark Matuszak and Helena Wilhelm

Sunday rounded out the week long meet with the open water which Florida also won going away. Go to the Florida website for the complete results.

Congratulations to the Sharks for winning the Florida State Junior Olympic Championships one again! Swimming as well as we did this summer, the Sharks finished 9th in the nationally, ages 11 to 18 yrs. This is the USA Toyota Virtual Club Championship. This is the best we have done thus far – check out the USA swimming web site for the details. Just click on the Toyota icon.

Keep up the great work swimmers! Parents – thanks for all your support! We are truly blessed!

From Coach Piper

Hope you all enjoyed the break in August. It is good to have our swimmers back in the water! It is still hot in Sept -- please do not forget to send them to the pool with a water

bottle (they can fill it up at the drinking fountain) or \$1 to purchase one. Hydration, even in the pool, is very important.

High school season is a busy time at our pool. Thanks for your patience. **No practices 9/11.** The only Saturday available is 9/15. We will be working on FLIP TURNS and STARTS from 11:00-Noon. Please try and make it!

Thanks to all who attended the parent meeting. Handouts are available.
MEET SHEETS are DUE NOW!

Swimmers who do not turn in meet sheets will NOT be entered in meets.

Deadline for St. Pete invite is Monday, September 10th.
